WHAT'S ON THIS TERM!

This is a busy term. Your children can look forward to participating in some of the following activities. Year 7 and 8 Technology at the Marlborough Technology Centre, Year 7 and 8 BP Technology Challenge, Jump Jam, Modules, Pelorus Cluster Winter Sports, Marlborough Primary Schools Cross Country, Kids for Kids Concert, School Science Display, Marlborough Schools Science Fair.

REPORTING ON PUPIL PROGRESS -MID-YEAR

Where do we go from here?

Many thanks for a great turn out to the mid-year reports and portfolio conferences. This was our first attempt at attempting to implement the NZ Standards in Reading, Writing and Mathematics.

We now have to look forward to designing a worthwhile end of year report that has meaning and value to us and parents and families.

To assist us to do this I would like to form a parents reference group to meet occasionally this term to discuss ideas about our reporting processes.

If you would like to be part of this group please feel free to contact Chris at school. As well as this you may find that approaches are also made to you to be part of this group.

The school wants to produce a worthwhile end of year report as well as finalise and refine our whole reporting methods. This is an opportunity for you to have a valuable input into school practice.

SPORTS REPORT By Mako Bradley

On 11th of July I went over to Nelson to participate in the Seddon Shield Rugby Tournament 2010. I was representing Marlborough at this tournament. The Teams competing were Marlborough, Nelson, Golden Bay Motueka, Buller and the West coast. On Sunday we had our weigh in and if we were over 52 kg we could be weighed in again the next day but if we were overweight then you were not allowed to play. On Monday we played our first game against West Coast and we won 51-5 it wasn't the hardest game but they started to really put in a fight near the end of the game. The player of the day for our team was Mitchell Smith. On Tuesday we played Golden Bay Motueka, we thought that we were going to lose but at the end of the game we had won 31-5 and our fullback Tyler Sintes scored most of our tries and ended up getting player of the day. Wednesday came along and we played Buller and won again 31-5, Then again our fullback Tyler Sintes got player of the day. Thursday was our bye day and we went to the indoor centre and played indoor cricket and indoor soccer. On Friday we were up against Nelson and we had a crushing defeat 19-7 but lucky enough for us we had gained all bonus points in our other matches and ended up winning the Seddon Shield by one point. The tournament team was named by the people that were best in their position and Marlborough had the most players in that team again by one.
